

Dr Mary Surveyor Centre

Set amongst the picturesque bushland in Kingsley the Dr Mary Surveyor Centre is a modern 129 bed aged care centre, split over three floors, and boasting outstanding quality in both design and services.

Each floor of the modern centre has its own dining room and comfortable communal lounge room with parkland views. Comfortable private rooms with en-suites and both indoor and outdoor communal spaces mean residents and visitors can enjoy privacy and a sense of community.

With the care of our devoted staff the Centre provides supported living in a secure, caring environment. Through the support of our on-site team of registered nurses, care staff, hospitality, allied health and administration staff, we provide the highest quality accommodation and services catering for older people, those living with dementia and respite services.

A choice of meals, from menus developed in conjunction with dieticians is prepared on site, providing fresh and varied meals for our residents.

Enjoy the beautiful views and peaceful surrounds of this modern, state of the art Centre specifically designed to help each resident live their unique lifestyle.
