Subject: COVID-19 Update

Dear All

I would like to wish everyone a Happy New Year and are grateful that Perth continues to remain COVID -19 free of community spread.

However, as it was announced today by our premier Mark McGowan that a new fast-spreading UK strain of COVID-19 has emerged in Brisbane, and that WA is imposing a hard border with Queensland from midnight tonight, I would like to request the following:

- Any visitors who have returned from Brisbane since 2 January, 2021 do not attend the Centres to visit their loved ones until further notice.

This is a very unfortunate situation at the end of the festive season however, we feel that it is a necessary precaution to take for the welfare of all of our residents and staff.

I would like to thank everyone in advance for their cooperation in this matter and if you have any further questions please do not hesitate to contact your Centre Manager.

Together we can get through this new situation as we look forward to the early release of the vaccine.

Kind regards

OLIVE WRIGHT
