

## Memorandum

**To:** Residents, Families and Representatives  
**From:** Olive Wright  
**Date:** 26 August 2021 **No. of Pages:** 1 *(including this one)*  
**Subject:** COVID-19 Update

---

Dear Residents, Families and Representatives

Meath Care (Inc) are pleased to confirm that we are well on track to have our employees vaccinated with at least their first dose of the COVID -19 vaccination by 17 September 2021. A good percentage of employees will have received both doses and I believe this is testimony to their commitment for our resident's health and wellbeing.

I would like to take this opportunity to thank all the employees for complying with this WA Health Directive and thank you to the families, who have provided evidence of their COVID-19 vaccination confirmation. I would encourage all families to let us know if you have received your vaccination as this can be kept on our database which will be crucial information if we experience an COVID-19 outbreak.

From Monday the 30 August 2021, we are implementing a small change to our internal processes for when you take your loved one out of the centre for a social visit/overnight stay. Your agreement to endeavour to reduce the risk of infection and infection prevention strategies will be located in a register at reception, rather than asking you to complete a whole form; please ask the receptionist for assistance if required.

If you have any queries with any of the above or anything else, please don't hesitate to contact myself or your Centre Manger; communication is key to our continued partnership in providing a high standard of care and services to your loved ones.

Thank you for your ongoing support in keeping our vulnerable residents safe.

Yours faithfully

OLIVE WRIGHT  
CHIEF EXECUTIVE OFFICER
